

[Intro]

G Cadd9 G D Em Cadd9 G

[Verse 1]

He gave to you, a golden ring,
It made you happy, it made you sing.
And i played for you, on my guitar,
It didn't last long, we didn't go far.

[Chorus]

Though the times have changed,
We're rearranged.
Will the ties that bind remain the same?

-Humming-

[Verse 2]

You came around, after a while,
Everyone said, that i made you smile.
It all went well, and suddenly then,
He heard that you would marry again.

[Chorus]

Though the times have changed,
We're rearranged.
Will the ties that bind remain the same?

[Bridge]

[Verse 3]

I know that I, have been here before,
I've trod on your wings, I've opened the door.
If I gave to you, a golden ring,
Would I make you happy, would I make you sing?

[Chorus]

Though the times have changed,

We're rearranged.

Will the ties that bind, remain the same?

Though the times have changed,

We're rearranged.

Will the ties that bind, remain the same?

[Outro]
